Please donate towards this Masjid for its much needed project to build two additional floors to allow more space for our worshippers.

Currently just Friday Jumma alone we are required to hold 3-4 Jamaats. This is clearly demanding and requires extra resources during busy times.

Much of this project will also enable us to provide a fully segregated prayers space for our female worshippers too.

The vast majority of our sisters within the locally are heavily reliant on us to help them in there needs because they have no other place suitable within the area.

This long waited project requires 2 Million pounds

Insha'Allah with your help making this Grand Masjid become a Central Hub for the local community we can offer many more activities for our youth who face ever growing changes during these challenging times.

Please donate towards this Masjid for its much needed project to build two additional floors to allow more space for our worshippers.

Currently just Friday Jumma alone we are required to hold 3-4 Jamaats. This is clearly demanding and requires extra resources during busy times.

Much of this project will also enable us to provide a fully segregated prayers space for our female worshippers too.

The vast majority of our sisters within the locally are heavily reliant on us to help them in their needs because they have no other place suitable within the area.

This long waited project requires 2 Million pounds Insha'Allah with your help making this Grand Masjid become a Central Hub for the local community we can offer many more activities for our youth who face ever growing changes during these challenging times.

Please donate towards this Masjid for its much needed project to build two additional floors to allow more space for our worshippers.

Currently just Friday Jumma alone we are required to hold 3-4 Jamaats. This is clearly demanding and requires extra resources during busy times.

Much of this project will also enable us to provide a fully segregated prayers space for our female worshippers too.

The vast majority of our sisters within the locally are heavily reliant on us to help them in their needs because they have no other place suitable within the area.

This long waited project requires 2 Million pounds Insha'Allah with your help making this Grand Masjid become a Central Hub for the local community we can offer many more activities for our youth who face ever growing changes during these challenging times.
